### Spring Cleanup Thanks

Thank you for your assistance with Bangor's Spring Cleanup Program. Your help in bringing acceptable spring cleanup material to the Public Works facility means that many hundreds of man-hours and thousands of tax dollars are saved, or re-directed into important street, sidewalk and sewer maintenance projects. Your participation also improves the appearance of the City, eliminating unsightly piles of curbside trash and helps prevent non- resident abuse of Bangor's Spring Cleanup.

**Please refer all questions to Bangor Public Works at 992-4500**
